NURSEWISE RECEIVES URAC ACCREDITATIONS

ST. LOUIS, MISSOURI - NurseWise® today announced that it has received Full Accreditation for Health Call Center (HCC) and Disease Management (DM) Accreditation from URAC. URAC is a Washington, D.C.-based healthcare accrediting organization that establishes quality standards for the healthcare industry. **These accreditations include NurseWise's health call center and its pharmacy compliance program, ScriptAssist. NurseWise and ScriptAssist are units of CenCorp Health Solutions, a subsidiary of Centene Corporation.**

"NurseWise strives to improve the health of our members by changing their attitudes and behaviors through our consistent accessibility and compliance outreach. URAC accreditation recognizes our commitment to provide services in a

quality manner for our members and providers," stated Kimberly D. Tuck, Chief Executive Officer and President of NurseWise.

About NurseWise

NurseWise is a 24-hour, toll-free phone line through which callers can reach both customer service representatives and bilingual nursing staff. The nurse triage service provides access to a broad range of health-related services including health education, urgent pharmacy refills, transportation for treatment and crisis interventions. ScriptAssist is a treatment adherence program that uses registered nurses to counsel and motivate at-risk patients. For more information, visit www.centene.com.

To learn more, please visit www.scriptassistllc.com or contact **Bob Tomek at (314) 308-5240 or rtomek@centene.com.**

By applying for and receiving Health Call Center and Disease Management Accreditation from URAC, NurseWise, the parent company of *ScriptAssist*, is dedicated to the highest quality standards. The URAC accreditation:

- Establishes nationally-based quality benchmarks to ensure accountability
- Addresses the realities of the marketplace (modular)
- Encourages company self-improvement and increases business efficiency
- Identifies next generations of improvements
- Solidifies NurseWise's commitment to quality

ScriptAssist's Mission

At ScriptAssist, we realize that consumers sometimes need assistance. New medications. New treatment plans. Any changes to established routines can be intimidating and overwhelming. Yet, the failure to adequately follow-through can be costly and debilitating. It's not only the consumer that is at risk, but their families, doctors and insurers. Let ScriptAssist predict, detect and promote treatment adherence.
